- Reduce general expenses by %5 over the next three years
- increase brand awareness
- increase company's share in the market, by acquiring representation of reputable brands
- open three new office locations throughout

the GCC region within the next three years

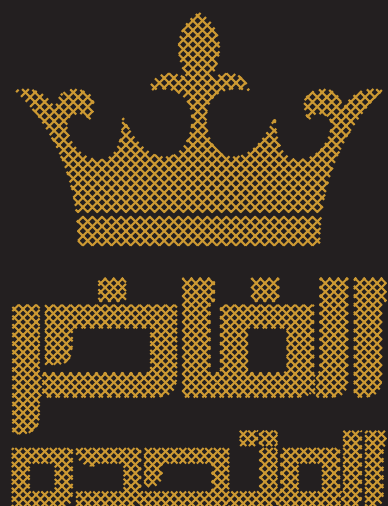

Overview

Alfakher started with a vision of 3 friends wanting to create a company where they can share and use their extensive expertise, knowledge, and experiences to become one of the major international players in general trading. In 2019, their vision became a reality with the opening of the company in Oman. Since then, Alfakher has always thrived to surpass the expectations and satisfactions of their esteemed clients .

Our Culture

Alfakher 's culture is rooted and ingrained by givenness. We trust that empowerment is key and therefore we help our stakeholders to achieve more. We believe in innovation and technology as tools to be used to better the world we live in. We seek diversity and inclusion, as well as providing a working environment in which the employee is at ease. Last but not least, we always thrive to maintain high standards of social corporate responsibility and support our employees as they are our principal growth potentials

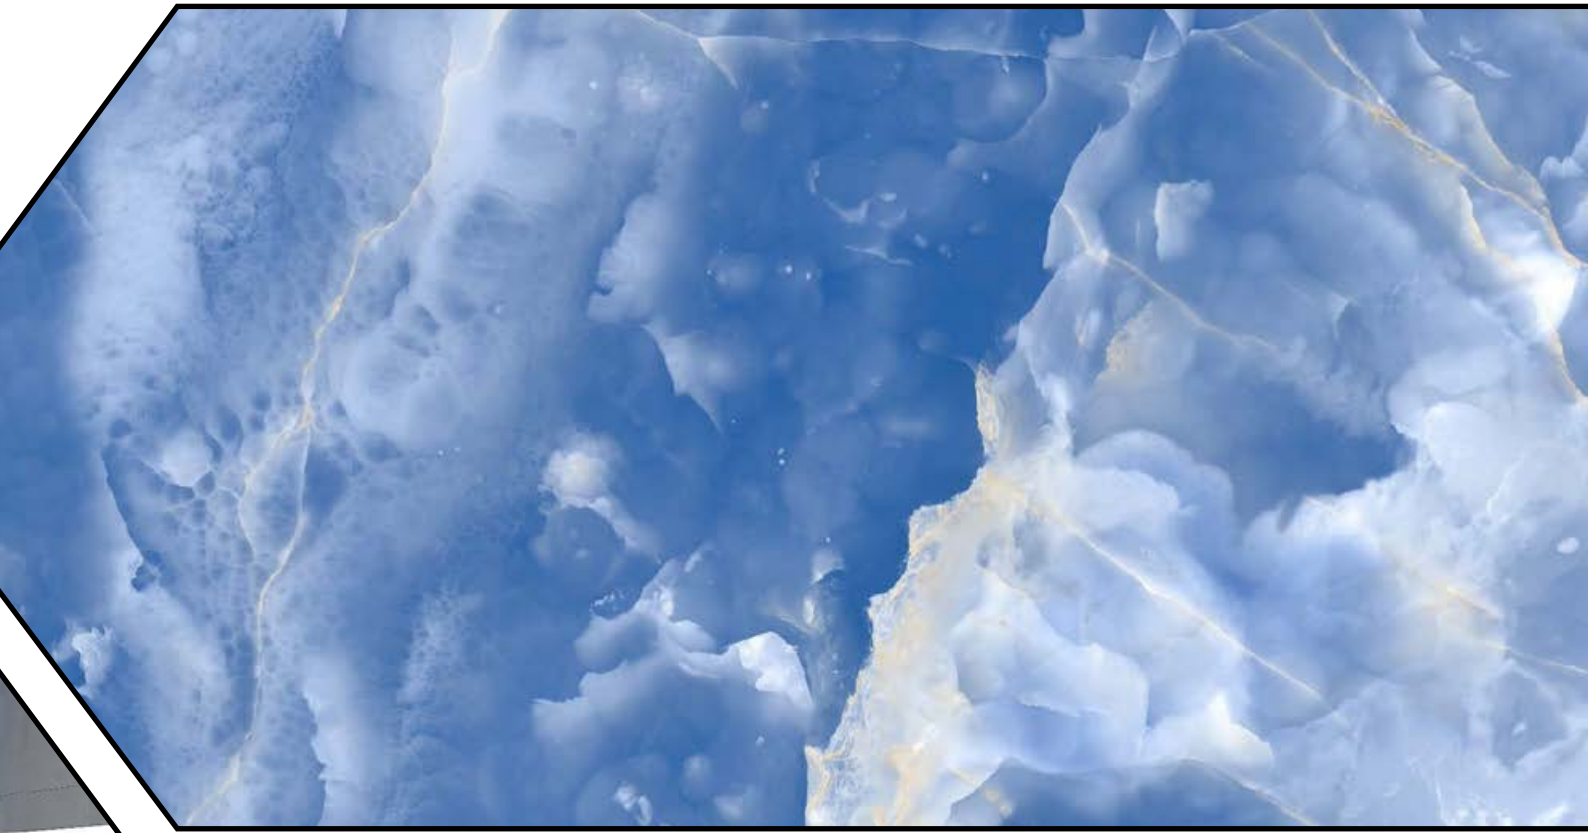

Design

To start your design project you will easily choose your products or similar products that our designer consultant suggests according to your preferences & architectural preferences that is been mostly adopted to the inspiration you love.

Get a few compatible design concepts based upon your assessment and budget. Choose your favorite design. Our designer will work with you to bring your design to life by reviewing and refining your custom made 3D model until you find your final modified favorite design at the end.

Implementation

Alfakher is with you until the end. Alfakher group utilizes the professional group of installation & decoration staff who have the ability to execute your projects according to your design precisely. There is careful coordination between our designer & the decoration department in the implementation of your project details. Each stage of implementation will proceed with the full supervision of our designer. Alfakher's special offer to you is to use this service to touch the concept of Alfakher at the end of the work with your eyes and feel it with your heart.
