

Alfakher United started with a vision of three friends wanting to create a company where they can share and use their extensive expertise, knowledge, and experiences to become one of the major international players in general trading. In 2019, their vision became a reality with the opening of the company in Oman. In 2022 , According to Oman's 2030 and 2040 Vision Plan, Alfakher has entered into building materials sector because of long experiences of shareholders in this section from the past as it is their core business.
Alfakher's culture is rooted and ingrained by givenness. We trust that empowerment is the key and therefore we help our stakeholders to achieve more. We believe in innovation and technology as tools to be used to better the world we live in. We seek diversity and inclusion, as well as providing a working environment in which the employee is at ease. Last but not least, we always thrive to maintain high standards of social corporate responsibility and support our employees as they are our principal growth potentials.
